

Cuenta GitHub

The screenshot shows the GitHub profile page for user DanielPG24. The page layout includes a header with navigation links (Overview, Repositories, Projects, Packages, Stars) and a search bar. The main content area features a large profile picture of a pixelated orange character, the username 'DanielPG24', and an 'Edit profile' button. Below the profile picture, there's a section for 'Popular repositories' displaying a grid of six repositories: 'prog', 'UD17_LMSG', 'Actividad_1', 'Escenario_2', 'Escenario_3', and 'Actividad_3'. Each repository card shows its name, a language icon (Java), and a 'Public' label. To the right of this grid is a 'Customize your pins' link. Below the repositories, a '147 contributions in the last year' section displays a calendar heatmap for the year 2026, with a legend indicating contribution levels (Less, More). At the bottom, a 'Contribution activity' section for September 2026 lists recent actions: 'Created 1 commit in 1 repository' (linking to DanielPG24/DWEEB) and 'Created 2 repositories'.

Cuenta con el commit y las cosas subidas

The screenshot shows the GitHub repository page for DanielPG24, specifically the 'dws' repository. The page header includes navigation links (Code, Issues, Pull requests, Agents, Actions, Projects, Wiki, Security and quality, Insights, Settings) and a search bar. The main content area displays the repository path 'dws / tema_01 / actividades' and an 'Add file' button. Below this, a commit by 'DanielPG24' is shown with the message 'Añadiendo la actividad 1'. The commit details table lists the files added: '..' (the root directory) and 'act_1.pdf'. The table columns are 'Name', 'Last commit message', and 'Last commit date'. The 'act_1.pdf' file is listed with the message 'Añadiendo la actividad 1' and a date of '2 minutes ago'. On the left side, a 'Files' sidebar shows the repository structure, including the 'main' branch, the 'tema_01' directory, and the 'actividades' subdirectory containing 'act_1.pdf' and 'teoria'.
